

Professional Forensic Services - Rates for Service

Lab/Office Processing is billed at \$50.00 per hour.

This includes many of the automated computer processes which are done in our lab. This would include the creation of a forensic image of digital media and computer time required to process the forensic image in preparation for examination.

Lab/Office Forensic service billed at \$150.00.

This is when examiners are reviewing data and or conducting searches of the digital evidence. This would include the preparation of case notes and the Final Report.

On-Site work is billed at \$225.00 per hour.

This typically includes consulting (of a directive nature) and forensic work associated with a case (on-site imaging or cell phone processing). This also includes court preparation of a case and expert witness testimony. Standby time is also billed at this rate.

Mobile Devices to include Cell Phones and Tablets

Cell Phone/PDA/Tablet/iPad processing is billed at \$150.00 per hour when completed in our lab.

Media Costs are billed as incurred.

This would include hard-disk drives and any other media necessary for obtaining or processing evidence.

Travel Costs.

Travel is billed at \$75.00 per hour. When mileage is outside of Portland, mileage Per Diem at GSA Federal Rate (\$.575) is also charged.
